

# Birthday Bash 2024

Sponsored by Gypsy Jewels and American Digger magazine

Nov 1-3, 2024

Pittsburg, Texas.

(Exact location given to paid attendees closer to hunt date)

This hunt will take place over a 200 acre property. Any seeded coins, tokens, or other "planted" items will be within the field boundaries marked with red flags. There are also at least two old house sites on the property, and natural finds are likely.

- 1-Please respect the property owner; don't litter and do cover your holes.
- 2-Please do not detect beyond property boundaries.
- 3-Tokens may be turned in at any time during the hunts. Tokens not redeemed by 5 PM on Sunday will be null and void.
- 4-Kids under 12 may hunt free only if accompanied by a parent or guardian.
- 5-Hunt held rain or shine, no refunds. You may however sell or transfer your ticket to another person.
- 6-The lunch break is mandatory as we will reseed the fields at that time. Leave the field by 12, and return to hunting at 1:30.
- 7-If you have any problems or gripes concerning the hunts, please immediately see the hunt master or organizers. We want everyone to have a fun hunt and good experience.

*I agree to and understand to the above guidelines. Failure to do so may result in being banned from this and future events.*
